How it works

In order to achieve certification, a company must demonstrate high social and environmental performance by achieving a B Impact Assessment score of 80 or above.

Five key areas of impact:

- Governance
- Workers
- Environment
- Community
- Customers

Transparency

You can compare the impact score of every B Corp, in every area, on the B Corp website.

An evolving solution

The standard has been undergoing a consultation and review, to make it better suited for the future. B Corps will need to meet specific requirements around the following topics that are universally applicable and relevant towards achieving an inclusive, equitable, and regenerative economy:

- Foundation requirements
- Purpose & Stakeholder Governance
- Workplace Culture
- Fair Wages
- Justice, Equity, Diversity & Inclusion
- Human Rights
- Climate Action
- Environmental Stewardship & Circularity
- Government Affairs & Collective Action
- Complementary Impact Topics
