

THE COMMUNITY REPAINT NETWORK

Community RePaint is the UK-wide network preventing usable paint from going to landfill or incineration and getting it back into communities that can reuse it.

For over 30 years, the members of our network have collected leftover paint from households and businesses, checked and stored it safely, and made it available at a low cost for their communities.

Here are some of the many benefits of your organisation joining the Community RePaint Network.

*6.6 million litres of paint
saved from waste... and
counting*

**HELP THE
PLANET BY
PREVENTING THE
UNNECESSARY
DISPOSAL OF
LEFTOVER PAINT.**

*Paint dropped off by residents
for reuse at their local recycling
centre.*

**BRIGHTEN UP
YOUR LOCAL
AREA AND SEE
AND SHARE THE
IMPACT OF
YOUR WORK.**

**PROVIDE A
SOLUTION FOR
BOTH THOSE WHO
HAVE SURPLUS
PAINT AND THOSE
WHO CAN REUSE
IT.**

← *A decorating company
drops off their surplus
paint at the end of their
decorating contract.*

**BENEFIT YOUR
COMMUNITY BY
PROVIDING
AFFORDABLE
PAINT FOR
INDIVIDUALS
AND GROUPS.**

← *A community allotment group can afford to buy paint for their projects.*

**JOIN AN
ESTABLISHED
NETWORK OF
MEMBERS AND
GET FREE AND
ONGOING
SUPPORT.**

*Community RePaint
Highlands, have saved over
78,000 litres of paint since
they started in 2008!*

CREATE VOLUNTEERING, TRAINING AND EMPLOYMENT OPPORTUNITIES IN YOUR COMMUNITY.

↖
Last year, the team at Community RePaint Carlisle was made up of full-time and part-time staff, volunteers and an apprentice.

**JOIN OVER 140
ORGANISATIONS
COMMITTED TO
REDUCING WASTE
AND IMPROVING
THEIR LOCAL
COMMUNITY**
