

## Installers and eco-retrofiters

We asked our greener homes who did their work for them, and whether they would recommend them. Here is the list, though not exhaustive – if you know of others you have used and can trust please [contact us](#). - Sam

### Solar PVs and batteries

- [Evergreen SW](#)
- [Wessex Eco Energy](#)
- [Robin Goodfellow](#)
- [H<sub>2</sub>-ECO](#)
- [Infinity Energy](#)
- [Evolution Electrical](#)

### Air Source Heat Pumps (ASHP)

- [Evergreen SW](#)
- [Dorset Energy Solutions](#)
- [Power Naturally](#)
- [H<sub>2</sub>-ECO](#)

### Ground Source Heat Pumps (GSHP)

- [Thermal Earth](#)

### Solar Thermal

- [Jim Shearman](#)

### Retrofit architects

- [Barefoot architects](#)
- [Robbie Roskell](#)

### Cavity Wall Insulation

- [Mass Foam systems](#) (Thermabeads, not spray foam)
- [Slate Insulations](#)
